We have a variety of bottle designs for you to choose from. Apart from the above designs, we are able to produce bottles according to your needs. The bottles can be made with a variety of materials such as PVC, PE, or PETG. In particular, PVC and PE are very economical while PETG would be a good choice if environmental concerns are an issue.

Furthermore, we can formulate the contents (shampoo, conditioner, bath gel, body lotion) with various color, texture, and fragrance so that your products will be more unique.

Please do not hesitate to contact our sales team if you require further assistance.
