Sole Selection:

We can produce a wide selection of slippers. They can be made with terry towel, sheared terry towel, plush material, paper, EVA and more. We can also produce slippers using different types of soles as well. If customization is required, we can embroider or print your company's logo on the slippers in order to produce a product that is more unique.

If you have further enquires, please do not hesitate to contact our sales team for more information.
